Item 3.03 Material Modifications to Rights of Security Holders.

To the extent required by Item 3.03 of Form 8-K, the information regarding the Reverse Stock Split (as defined below) contained in Item 5.03 of this Current Report on Form 8-K is incorporated by reference herein.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On January 15, 2025, AlloVir, Inc. (“AlloVir”) filed an amendment (the “Certificate of Amendment”) to its Third Amended and Restated Certificate of Incorporation, as amended and/or restated from time to time, to effectuate a reverse stock split of AlloVir’s issued and outstanding shares of common stock, par value \$0.0001 per share (the “Common Stock”).

As previously disclosed, at its Special Meeting of Stockholders held on January 9, 2025 (the “Special Meeting”), and upon the recommendation of AlloVir’s Board of Directors (the “Board”), AlloVir’s stockholders approved a certificate of amendment to effect a reverse stock split of the Common Stock at a ratio ranging from any whole number between 1-for-15 and 1-for-35, as determined by the Board in its discretion, subject to the Board’s authority to abandon such amendment (the “Reverse Stock Split Amendment”).

The Reverse Stock Split Amendment was described in detail under “Proposal 1 – To approve an amendment to our Third Amended and Restated Certificate of Incorporation, as amended, in the form attached to the accompanying proxy statement as Annex A, to, at the discretion of our Board of Directors, effect a reverse stock split with respect to our issued and outstanding shares of common stock, par value \$0.0001 per share, including any Common Stock held by us as treasury shares, at any time prior to January 10, 2026, at a ratio of not less than 1-for-15 and not greater than 1-for-35, with the ratio within the range to be determined at the discretion of the Board without further approval or authorization of our stockholders and included in a public announcement” beginning on page 10 of AlloVir’s definitive proxy statement filed with the Securities and Exchange Commission on December 6, 2024 (the “Reverse Split Proxy Statement”) in connection with the Special Meeting. The text of the Reverse Stock Split Amendment was included in Annex A of the Reverse Split Proxy Statement.

On January 9, 2025, following the Special Meeting, the Board approved a reverse stock split of the Common Stock at a ratio of 1-for-23. Effective as of 4:05 p.m. Eastern Time on January 15, 2025, AlloVir filed the Reverse Stock Split Amendment and effected a 1-for-23 reverse stock split of its shares of Common Stock (the “Reverse Stock Split”).

As a result of the Reverse Stock Split, every twenty-three shares of Common Stock issued or outstanding were automatically reclassified into one validly issued, fully-paid and non-assessable new share of Common Stock, subject to the treatment of fractional shares as described below, without any action on the part of the holders. Proportionate adjustments will be made to the exercise prices and the number of shares underlying AlloVir’s outstanding equity awards, as applicable, and certain existing agreements. The shares of Common Stock outstanding following the Reverse Stock Split remain fully paid and non-assessable. The Reverse Stock Split did not affect the number of authorized shares of Common Stock or the par value of the Common Stock.

No fractional shares will be issued in connection with the Reverse Stock Split. Stockholders who would otherwise be entitled to receive fractional shares as a result of the Reverse Stock Split will be entitled to a cash payment in lieu thereof at a price equal to the fraction to which the stockholder would otherwise be entitled multiplied by the closing sales price per share of the Common Stock (as adjusted for the Reverse Stock Split) on The Nasdaq Capital Market on January 15, 2025, the last trading day immediately preceding the effective time of the Reverse Stock Split.

Trading of AlloVir's Common Stock on The Nasdaq Capital Market is expected to commence on a split-adjusted basis when the market opens on January 16, 2025, under the existing trading symbol "ALVR." The new CUSIP number for AlloVir's Common Stock following the Reverse Stock Split is 019818202.

The foregoing description of the Reverse Stock Split Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the certificate of amendment, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
